

Website Development & Care Plan Agreement

This Agreement is between Clementine Web Co. ("Clementine," "we," "us"), a Florida limited liability company based in St. Petersburg, FL, and the client named below ("you," "Client"). By signing below, or by paying the Build fee in Section 2, you agree to these terms.

Client name: Kalib Koons

Business name: Koons Real Estate and Koons Redevelopment

Email: kalibkoons199@gmail.com Phone: 218-232-6595

Date: 08/12/2026

1. What this covers

This Agreement covers the design, build, hosting, and optional ongoing care of one website for your business, as described below.

2. The Build — \$500 flat, one time

- **Scope:** the site shown to you as a free mockup, built out fully (up to 7 pages), a working contact form, and mobile-friendly design. Includes up to two rounds of revisions after the mockup; anything beyond that is scoped and quoted separately.
- **Payment:** \$500, due in full before the site goes live.
- **Timeline:** we'll give you an estimated delivery date once we have what we need from you (Section 3). Delays on your end (photos, personalized details, etc.) push the timeline back.

3. What we need from you

Business details, photos, written content, and your logo if you have one. The site cannot go live without these.

4. Ownership

Kalib Koons owns the design and source code of the site upon paying the initial build fee. Paying the Build fee (Section 2) gives you the right to use the live, hosted site and transfers ownership of the underlying code or design to you.

5. Care Plan — \$50/month, optional

You can choose to add ongoing care and support for \$50/month, It covers:

- **Hosting** — the site stays live and online.
- **Unlimited small edits** — text changes, photo swaps, hours, pricing, promos, new standard section (typically turned around within 2 business days, unless Clementine provides written notice of an exception)
- **One full redesign, included** — whenever you want it, no extra charge. We'll agree on a timeline together when you ask for it.
- **Bigger requests** (online ordering, booking systems, specialized sections) are scoped and quoted separately, on a case-by-case basis.

6. If you cancel the Care Plan

Canceling doesn't take your site down. It freezes exactly as it is — live, online, but no further edits — until you do one of the following:

- **(a)** Pay a flat \$500 for a new, unscoped round of work (treated like a fresh build); the site freezes again afterward unless you resubscribe, or
- **(b)** Complete the Buyout (Section 8) and take the site elsewhere.

7. Domain name

- **Already have a domain?** You keep managing and owning it.
- **Need one registered?** We'll register it with you listed as the owner of record; we just manage the day-to-day technical setup.

The first year of domain registration is included in the Build fee. Ongoing renewal (roughly \$12–15/year) is included while you're on the Care Plan. If you're not on the Care Plan, we'll reach out near the renewal date to offer to renew it for the fee or hand the account fully over to you; if we don't hear back, it lapses through the registrar in the normal course; we will not renew it out of pocket on your behalf.

8. Buyout — \$500 flat, anytime

At any point, you can pay a flat \$500 to take full ownership of the site's source code and design and host it independently, wherever you like. This ends any Care Plan billing and our hosting responsibility for the site.

9. What we don't guarantee

We build and host in good faith, but we don't guarantee specific business outcomes (traffic, leads, sales), and we're not responsible for outages caused by third-party services outside our control (hosting providers, domain registrars, payment processors, etc.).

10. Liability

Our total liability under this Agreement is limited to the amount you've paid us in the 12 months before a claim. Neither party is liable to the other for indirect or consequential damages.

11. General

- This Agreement is governed by the laws of the State of Florida.
- This is the whole agreement between us about the site — any changes need to be in writing and agreed to by both of us.
- If any part of this Agreement turns out to be unenforceable, the rest still stands.
